

## AUTOMATIC WAFFLE MAKER

**ROMMELSBACHER**  
ElektroHausgeräte GmbH

The best waffles - delicious,  
crispy and super easy

Tasty waffles must not be missing at a children's birthday party. Also at the coffee party in the afternoon or just in between, the sweet hearts are quickly made and are always a nice surprise. As a savoury variant they go with beer or wine and pep game nights.

The stepless temperature regulation ensures an individual browning, the baking lights a simple operation. Non-stick coated baking plates allow for low-fat waffle baking and easy cleaning. The closed stainless steel casing does not only make for an especially elegant look, also overflowed dough can be removed fast. And – this automatic waffle maker can be stored in an extremely space-saving way – upright in the kitchen cabinet.

### Technical Data:

- Type: WA 1000/E • *Swing Line*
- 230 V ~ 1000 W
- elegant design stainless steel casing
- non-stick coating for low-fat baking
- very easy cleaning due to closed stainless steel casing
- individual browning by stepless temperature regulation
- baking surface: 18 cm ø
- space-saving storage
- baking lights and cord take-up
- dimensions: 24 x 25 x 9 cm
- EAN: 4001797 83000 5
