Gourmet Cube Ice Machines up to 340 kg

Features

- Individual transparent solid cube: each single cube is an artwork: crystal clear and perfectly shaped, faithful to the Scotsman tradition.
- Global standard footprint: strictly follows international imperial standard commonly adopted in the industry of reference.
- Agion: the technology that makes products cleaner and longer lasting with built-in protection working 24/7 to resist the growth of microbes and the development of unpleasant odors.
- Electronic control: ambient and water temperatures may change throughout the years but your ice will stay the same.
- External indicator lights: keeps ice maker's operations under constant surveillance.
- Front access condenser air filter: a do-it-yourself cleaning operation that saves time and money and makes your ice maker live longer.
- Clean alert: advises with a blink when it's time to clean the filter.
