LA NOSTRA STORIA / OUR HISTORY

# MACAP

(IT)

**MACAP** è l'azienda veneta di macinacaffè e pressini. Una realtà con circa un secolo di storia alle spalle. Da sempre un modello d'inventiva, eccellenza e adattabilità nelle soluzioni meccaniche, con prodotti riconosciuti per l'operatività intuitiva e precisa e le forme iconiche.

La nostra storia è il paradigma dell'imprenditore italiano. Una storia di inventori, di persone curiose che hanno sviluppato, con una sensibilità e precisione manuale uniche, delle tecnologie che sono diventate un punto di riferimento del settore.

Un percorso iniziato nel 1930 che rappresenta il modello delle piccole aziende venete che hanno ricercato l'eccellenza attraverso una miscela tra artigianalità, innovazione, legami con il territorio e collaboratori locali.

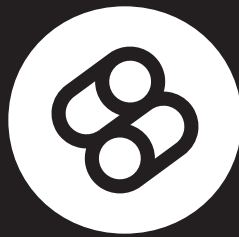

(EN)

**MACAP** is a Venetian company producing coffee grinders and tampers. A business whose history spans roughly a century. A model of ingenuity, excellence and adaptable mechanical solutions since its foundation, our products are known for their intuitive functionality and precision, and their iconic forms.

Our history is a paradigm of Italian entrepreneurship. A story of inventors, curious individuals whose disposition and singular manual precision led them to develop technologies that have become a benchmark in the sector.

A journey that began in 1930 and that is representative of the small Venetian companies that pursued excellence through a blend of artisanship, innovation, links to the area and local collaborators.
