

**ЭЛЕКТРОКИПЯТИЛЬНИК HURAKAN HKN-HVN40**

| <b>Поз</b> | <b>Наименование детали</b> |
|------------|----------------------------|
| 1          | knob of lid                |
| 2          | silicon sealing ring       |
| 3          | lid                        |
| 4          | stand of tap               |
| 5          | tap with water level       |
| 6          | silicon ring               |
| 7          | nut for tap                |
| 8          | indicator light            |
| 9          | turning knob               |
| 10         | bolt                       |
| 11         | locking                    |
| 12         | Hexagon nuts with flange   |
| 13         | thermostat                 |
| 14         | nut                        |
| 15         | screw                      |
| 16         | Hexagonal screw            |
| 17         | Hexagon nuts with flange   |
| 18         | thermo cut-off             |
| 19         | bottom                     |
| 20         | bolt                       |
| 21         | heating element            |
| 22         | Hexagonal screw            |
| 23         | bolt                       |
| 24         | Welding board              |
| 25         | red point                  |
| 26         | power cord                 |
| 27         | screw                      |
| 28         | body                       |
| 29         | handle                     |
| 30         | screw                      |
| 31         | insulate plate             |
