

BHC200X1

Bottle Chest Cooler

Product Features

- Practical bottle and can storage space
- Low energy consumption
- Stainless steel for easy cleaning and maintenance
- Static cooling
- Automatic defrost
- Bottle opener available as accessory

Stainless steel cooler for beverages

Chill beverages with ease in this sleek stainless steel chest cooler. Designed for bustling bars, hotels, cafés, and restaurants, our high-capacity bottle cooler meets the needs of any busy establishment looking to maximize cold storage efficiency. Made of durable stainless steel, this product is built to last and is easy to clean. With a spacious interior designed for bottles and cans, organizing beverages becomes a streamlined process, saving you time and effort during peak service hours. Easy-access lids offer quick retrieval of beverages, keeping customer service swift and satisfactory. Equipped with static cooling, this horizontal cooler maintains the ideal temperature for your beverages.
