CHURCHILL[®] super vitrified

A modern interpretation

The nature of the manufacturing process means that each piece will be slightly different, adding to the overall charm of the product. With a range of technical attributes, Stonecast Patina is designed to withstand the rigours of a back of house hospitality environment.

Showcase fresh ingredients

In a range of stunning shapes, Stonecast Patina allows you to be individual. Sophisticated Burnished Green and Antique Taupe provide the perfect neutral base for a wide range of fresh foods. Contemporary Iron Black provides a darker canvas and Vintage Copper adds warm, rich tones for creative presentation. Each piece is unique as the reactive colour is applied by hand, acquiring its rich sheen with random, spontaneous results.
